It restores layer of the skin, providing excellent skin moisturizing, immediate of mimic wrinkles and skin tone. Strong antioxidant combination reduces skin sensitivity, prevents aging-induced skin changes and restores skin elasticity. a tropical plant origin alternative to Botox that provides immediate reduction of mimic wrinkles. Deep skin moisturizers molecules actively absorb water and guarantee skin moisturizing for 74 hours. While the lactic acid normalizes process, improves skin moisturizing and its elasticity, . Rich combination of antioxidants effectively combats free radicals, stimulates the synthesis of collagen and reduces the environmental impact, as well as damages caused by oxidative stress. The extracts of the product (extracts of Centella Asiatica Leaf Extract) and ginkgo (Ginkgo biloba) have skin strengthening and toning up properties. They help maintain the health of capillaries and veins, skin elasticity and firmness. The extract of bogbean prevents chronological and photo-aging skin changes and restores skin elasticity. The product has a strong antioxidant effect; it stimulates collagen synthesis, restoring skin elasticity and ton. Use Use in the morning and in the evening by applying it on dry, cleansed skin. Massage until completely absorbed into the skin. The serum is recommended for face care to restore moisture in the skin, as well as in anti-age care.
