Delicately and carefully cleansing gel with a long-lasting moisturizing effect, perfectly prepares the skin for application of other cosmetics. Removes cosmetics perfectly, prevents skin dryness, and makes it supple and shining. Suitable for use around the eyes. Lactic acid and molecules, obtained from plants with biotechnology, promote skin moisturizing. Gently cleanses the skin without making it dry, preserves the natural protective properties of the skin. Excellently prevents dry skin, makes the skin soft, shiny, supple and moisturizes it. With regular use, the skin elasticity is maintained. The natural foam enhancer gently cleanses the skin without drying it and preserves the natural protective functions of the skin. The lactic acid normalizes the process, promotes the strengthening of the barrier of the skin – synthesis of , and improves skin moisturizing and its elasticity, promoting the synthesis of the "substance" - . derived sugar molecules continue to moisturize the skin even after rinsing. Use Use in the morning and / or evening. Apply a small amount on dry or damp skin, whip and wash off. The product does not form voluminous foam.
